

Greetings!

Seattle Public Utilities Resource Venture program is launching a new business environmental recognition program – Get on the Map.

Get recognized today for your business' green achievements! All you have to do is complete an online application: [www.facebook.com/ResourceVenture](http://www.facebook.com/ResourceVenture). This should take about 10 minutes.

Your business will receive free marketing benefits for participating:

- Promotion through [an online map](#) for customers to support Seattle green businesses
- **Marketing materials** to promote your efforts to customers – a window cling, certificate, our logo for your website, and more!
- **Media coverage**

That's not all! Your business will also benefit from:

- Reduced operating and utility costs
- Compliance with environmental regulations
- Contributing to a clean and healthy community

For more information please call or email: 206-343-8505 or [help@resourceventure.org](mailto:help@resourceventure.org).

Please forward this email to other Seattle businesses who would be interested in participating.

- The Resource Venture Team
